| The Magic School Bus Flies from the Nest | 8 |
| It's fun to be in Ms. Frizzle's class. She has a wacky dress and wacky shoes too. Even her bus is wacky. That is because it is the Magic School Bus. | 22 36 39 |
| Today the class is going to learn about birds. Carlos wanted to look at a robin's nest, but they had a hard time finding a picture. Ms. Frizzle yelled, "Let's take a trip, kids!" She knew where to find a robin's nest. | 51 64 78 80 |
| All the students climbed aboard the Magic School Bus and away they went. | 91 93 |
| "Follow those birds," yelled Carlos. He couldn't wait to show off all he knew about birds. | 104 109 |
| The bus followed the robins to the town park and all the students got out. They watched a bird soar up to a nest sitting snugly in between two branches. Carlos knew that a robin's nest was made of grass, strings, and twigs. He just had to get a closer look, so he decided to climb the tree. When he reached the nest, he saw that it was mostly made of mud. "Wow, I didn't know that," Carlos thought. | 122 136 147 162 176 188 |
| "Oh No," Carlos screamed as he fell out of the tree. Suddenly, Carlos began to become tiny, and instead of falling to the ground, he landed softly in the nest. | 200 212 218 |
| At that moment, Ms. Frizzle gathered the students into the bus, and traveled up the tree into the bird's nest. Now they could see the mother bird in the nest, sitting on the eggs. | 229 242 252 |
