Rock Candy Castle

3

It was a perfect Halloween night in Green Wood. All the young forest friends ran door to door collecting yummy treats. Suzy Skunk and Teddy Bear were giggling and laughing as they started up the path toward Rock Candy Castle.

Every year, Princess Wanda held a Halloween party at the castle, but the two friends had never gone. They had always been too scared to go. But this year, they decided to attend.

As they came to the end of the path, they arrived at the castle's main door. In an instant, it mysteriously opened with a loud creak. Suzy was scared. Teddy looked at the door, a little scared himself. It looked very dark inside, and there were eyes peeking out at them through the darkness.

Standing really close together, Suzy and Teddy tip-toed into the dark castle. The grand hallway was dark and silent. It was so quiet that the only sound that could be heard was the breathing of the little animals. All of a sudden, Suzy let out a sharp scream! "Something touched my leg," she cried out in fear.

Before they could figure out what touched Suzy, a door at the far end of the hallway swung open. An eerie light shone out toward them. The little forest friends ran quickly up the hallway, toward the light. Then Teddy let out a yelp. There, dancing right in front of them, was a spooky skeleton! The friends were terrified, and let out a scream.
