Tim and Sid

3

One very fine day, Tim and Sid left home for the first day of school. Before long, it began raining very hard. The two kids ran down the sandy road into a big shed near the train tracks. They stayed inside for a very long time. At last, the rain stopped.

Tim and Sid were standing on the steps. They looked outside. They saw that everything was soaked with water. There was a lake on the ground where the sandy road should be.

“We are wet and are going to be late!” Sid said.

“We can not be late today. The teacher will think we are missing. Think hard! How will we get to school on time?” Tim asked.

Sid liked to think. She came up with a plan to get to school on time.

Sid said, “First, we can wade in the lake to go to school.”
