A Cake for the Party 5

One beautiful day on the Island of Fizz, many people were getting ready to go to a party at Owen’s amazing mansion. The party was for Liz the Giant and all the animals on the island were asked to come. Owen wrote letters so everyone would know the party started at nine-thirty. Everyone also knew that Liz would not show up until ten o’clock.

Owen said, “All the animals should be here soon. I hope the turtles know to bring the cake. I forgot to tell them.”

Owen was a master at throwing parties. But he often forgot to write down what he needed.

Soon, the eagles flew over the roof and into the mansion. Then, the spiders drifted on their webs into the mansion. Next, the bears came bobbing through the amazing mansion door. Finally, the turtles came in very slowly. The turtles hardly moved an inch as they came through the door.

Owen’s face dropped and he said, “Turtles, where is the cake for Liz the Giant?”
