The Flood 2

Late one afternoon, Grasshopper, Turtle, and Beetle 9  
went to the campground area. They enjoyed the peace 18  
and silence of the beautiful river. They planned to sit in the 30  
sunlight, play in the water, and have a picnic. When they 41  
got to the campground, they unrolled their pink blanket. 50  
Then they waded and drifted in the blue water. 59

After a few minutes, Beetle said, “I want to go rowing in 71  
the boat I brought. We will have loads of fun! Do you want 84  
to go, Grasshopper and Turtle?” 89

Grasshopper and Turtle thought for a moment and said, 98  
“Great idea! We would love to go rowing. We’ll help you 109  
lift the boat into the water.” 115

So, the three went rowing along the river. The wind blew 126  
calmly as the three pals took turns rowing the boat. 136

Before they knew what was happening, the dam broke 145  
rocking the boat from side to side. All of a sudden, the 157  
water in the river was rising, and they were moving far 168  
away from the campground area. The friends cried. 176
