The Visitor 2

One Friday night, Mama was reading the newspaper 10
after dinner. Suddenly, something banged outside. Mama 17
got the flashlight and rushed onto the porch to see what 28
had caused the loud noise. She shined a beam of light into 40
the yard. She didn't see anything appear, so she pointed 50
the light at the driveway. She couldn't believe her eyes. 60

Standing in the middle of the driveway was a funny 70
looking creature. He was wearing one red shoe and one 80
yellow shoe. Stubby hair was growing from his head and 90
his eyes glowed in the dark. He was holding a stack of 102
empty baby food jars. 106

Mama asked herself, "What is that creature with the 115
baby food jars doing in my driveway? That thing belongs in 126
outer space, not in my driveway. I must think of a way to 139
get him to leave." 143

Mama thought for awhile and decided that she should 152
first call Uncle Dick. "Please rush right over," she said. 162
"A creature is in my driveway. I think he is from outer 174
space." 175
