Fire! Fire!

2

Marvin was the fire chief at Hillside Fire Station Number 12
One. Marvin and the other fire fighters spent day after day 23
waiting on a fire. While they waited, they did many things. 34
They cleaned the sidewalk and painted the bench a pretty 44
red color. They built toy airplanes and watched football 53
replays on TV. They did all kinds of things, except get 64
ready for a fire. Buddy, the little guy at the station, tried to 77
warn them about how important it was to be ready. 87

“Hey Marvin,” Buddy said. “When are we going to get 97
ready for a fire? One day a big fire will come and we are 111
not ready.” 113

One morning, the fire fighters were sitting on the bench. 123
They were retelling silly jokes. There was a loud noise. 133
The warning sounded. 136

“Fire! Fire!” Buddy shouted. 140

The fire fighters ran down the hallway. They rushed to 150
the slippery pole and began pushing one another. When 159
the fire fighters finally put on their outfits, the sleeves were 170
too long. Their boots didn’t fit. 176
