

EXCELLENCE WITHOUT EXCUSES

8th Grade Supply List

Dear 8th grade parents,

It is our great honor to welcome you to another year at Charter Day Middle School. We are anxiously awaiting what promises to be the beginning of a great year with your 8th grader. In order to be successful, we have a few school supplies your student will need throughout the year. These supplies will be imperative for students to have throughout the year, so please do your best to have all supplies for the first day of school. You might want to purchase extra quantities of these supplies in case your student runs out before the school year is over. Again, we look forward to teaching your student this year!
